Red Star Juniors Soccer League Spring 2008

Since 2001, the area's best coed program for players 4 to 6

Red Star players are known for being more advanced than other players when they move to a Western Missouri Soccer League team. Here's why:

1. Great coaches and an established skills curriculum
2. The area's only true league format for young players. Teams meet twice a week, practicing on Saturday and playing games on Sunday.
